- Award ceremony: Monday, May 6, 2019
- Applications are invited from students with an outstanding academic record and ambitious plans or projects for the future who would use the Raiffeisen Award for a semester abroad in a non-EU (and non-associated) country in the framework of their Bachelor or Master study program at the MCI.

Award criteria and applications

The winners of the Raiffeisen Award will be selected by a jury. The jury may decide to share the award among more than one applicant. The jury also reserves the right not to make an award in any one year and to carry the funds forward to future years. There is no legal claim to a scholarship. The jury's decision is final.
