SPACE FOR YOUR CORPORATE LOGO

The MCI invites you (as an internship provider, employer or thesis partner) to place your logo in this year's edition of the MCI Graduate Brochure next to our students' personal data. The brochure is due to be published in November and guarantees you a wide readership.

The charge for logo placement is € 20, and you will be billed for that amount when the brochure has been printed. Your payment is also a form of support for the students as it enables us to reduce the congregation fee.

To place your order, please fill in the fields of the following form:
